WANT MORE FOR YOUR MONEY ...

WASHINGTON (AP) - Senate investigators exploring "wonder drug" price markups sought to learn today whether an international cartel figures anywhere in the picture.

The Senate Antitrust and Monopoly subcommittee heard Monday disputed testimony that one drug firm, the Schering Corp. of Bloomfield, N.J., has received price markups ranging from 1,118 per cent to more than 7,000 per cent on some medical products.

Chairman Estes Kefauver (D-Tenn) ordered the firm's president, Francis C. Brown, to produce his company's licensing peace talks. agreements with foreign drug

almical and the

festival failed to lift the conkimo lands. Although Miski the wise man says nothing more can be done, Oonik the Eskimo boy is determined to try another plan.

Chapter Three STORM AT SEA

With Keotuk at his heels Oonik ran home. He found his sled frozen to the side of the igloo. With his snow knife he cut it free. The sled was made of bone and pieces of driftwood, with reindeer antlers as a handle. It was small but

He harnessed Keotuk and tied his snow saw and seal spear on to the sled. Then he returned to the wise man's igloo where all the Eskimos of the village were gath-

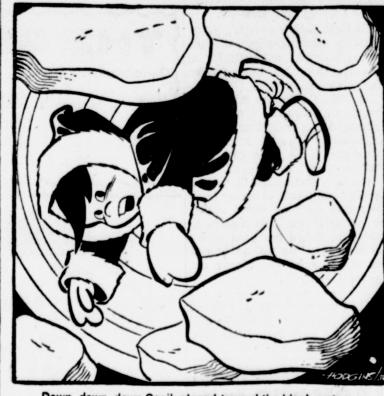

"Father," said Oonik, touching his father's arm. "Is it true that on the far side of the Arctic Sea is Santa Land?

His father nodded. "So I have always heard. "Then," said Oonik, "I am go- will go and ask his help." ing there.

"What are you saying?" cried his father in astonishment "Santa Claus is very powerful," said Oonik, "He knows die. when I have been good and when I have been bad. He knows what die," replied Oonik. "Please, fato bring me for Christmas. He ther, My sled is fast and Keoalways comes every Christmas tuk is the best dog in the vil-Eve no matter how stormy the lage."

"So?" said his father.

Phone 1418-W

Down, down down Oonik pluged toward the black water.

"Son," said the father, "you too fast and too often. You would fast sled will help you make

"If I stay here we all will

do all these things he can surely mured. He turned to the father.

SAY HORMONES

Dr. Charles K. Friedberg, associate clinical professor of medicine at Columbia University, said the two diseases often become resistant to current drug therapy but encouraging results were found in the use of the new drugs, known as spirolactones.

He reported on the new drugs Tuesday at the Hahnemann Mediollege Symposium on Edem Edema is the retention of excessive body fluids.

Blames Hormones

Doctors believe congestive heart failure and cirrhosis of the liver are often caused by excess secretion of aldosterone, a hormone secreted by the adrenals, and its concomitant excess sodium and water retention in the human Dr. Friedberg explained the new

drugs have a chemical structure resembling aldosterone, which is important in regulating metab-

The spirolactone drugs, Dr Friedberg said, compete with aodosterone in their action on the cells of the kidney tabules, thus preventing the natural aldosterone from causing the reabsorption of large amounts of sodium and
